EMPATHIZE & DEFINE

The commuting concern

100 student respondents

Survey: 22-24 September 2026

70% live at least 5 km from school

MARIANO MARCOS STATE UNIVERSITY

EMPATHIZE & DEFINE

Waiting affects class attendance

65% selected long waits

57% selected overcrowding

54% wait 15+ minutes at peak hours

38% are late often or always

MARIANO MARCOS STATE UNIVERSITY

EMPATHIZE & DEFINE

Our problem statement

Need: clearer route, fare and departure information

Concern: uncertain waits and crowding

How might we help students decide when, where and what to ride?

MARIANO MARCOS STATE UNIVERSITY

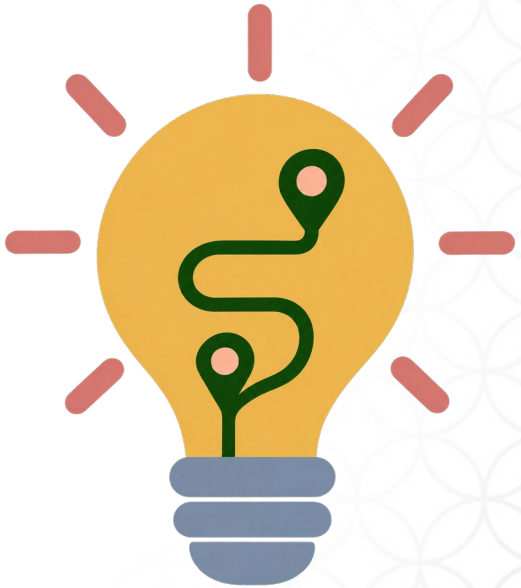

IDEATE & SYSTEM DESIGN

Ideas and the chosen solution

Timetable page: simple, limited during changes

Group chat: easy sharing, scattered updates

Chosen: one app for commute decisions

MARIANO MARCOS STATE UNIVERSITY

IDEATE & SYSTEM DESIGN

Features for commuter tasks

Find a ride: routes and fare estimates

Prepare to board: pickup and tracking

Plan for class: departures and reminders

Stay informed: reports and alerts
